

**GEB3213**

**Lecture 9:  
Coherence**

---

---

---

---

---

---

---

---

**Coherence**

- What's the difference between continuity and coherence?

---

---

---

---

---

---

---

---

**Coherence Principle #1**

- You should begin every paragraph with a \_\_\_\_\_.

---

---

---

---

---

---

---

---

**Coherence Principle #2**

- **What should you do in the paragraph body?**

---

---

---

---

---

---

---

---

**Coherence Principle #3**

- **Where else should you use head/body organization?**

---

---

---

---

---

---

---

---

**Head/Body**

- **How does head/body organization play out at all levels in a document?**

---

---

---

---

---

---

---

---

**Head/Body/Foot**

- How do paragraph feet work?
- What function do they perform?

---

---

---

---

---

---

---

---

**Coherence Principle #4**

- What is coherence principle #4?

---

---

---

---

---

---

---

---

**So What?**

- How does a thesis sentence work?
- What question does it answer?

---

---

---

---

---

---

---

---

**Get to the Point!**

- What's a **preliminary** thesis?
- What purpose does it serve?

---

---

---

---

---

---

---

---

**End of Outline**

---

---

---

---

---

---

---

---
